Dear David Melbye,

Thanks for the SASE.

I'm so overloaded I appreciate any saving in time.

If you keep your visit bried, OK.

But I'm weaker and am trying to get as much on paper as I can.

That your planned coming coincides with the holidays is no problem.

I'm not observant, no synagogue, etc.

If you see anything relating to the new flood of assassination books in your papers, particularly the one getting all the attention now, I'll appreciate it.

Pretty awful stuff now and more to come.

Thanks and best wishes,
